

## Sponsor a dog kennel

The PEI Humane Society is the Island's only Shelter for homeless, lost, and abused companion animals. Our two key sources of income are:

- Fees we charge the public (adoption fees, and surrender fees)
- Donations we receive from individuals and corporate donors.

In 2009 the dog kennels received a much overdue renovation that made a positive impact in the day to day life of both the animals and the staff tending to their needs. However, the dog kennels are 85% full 100% of the time. That's a lot of wear and tear from the animals and from all the cleaning and disinfecting! Crumbling concrete and broken fencing are facts of Shelter life which must be addressed on a regular basis.

The **Sponsor a Kennel** program allows both individual and corporations the opportunity to support the care and maintenance of the animal housing facilities for a six month period.

As a thank you for your generous donation a plaque with your family or business name will be attached to the kennel you have sponsored recognizing you as a **Kennel Sponsor**.
