

WISH LIST

Each year, the **PEI Humane Society** helps hundreds of stray, abandoned and homeless companion animals. We are a not-for-profit charitable organization that relies on the generosity of our individual and corporate donors to help continue our programs and services.

Here are the items we would be grateful to receive or to have funded. If you are interested in pursuing one of items or if you have any questions, please contact **Development Coordinator Lisa Hashie**, via email lhashie@peihumanesociety.com or phone **902-892-1190**.

VOLUNTEER SERVICES

Volunteers play an important role at the Society by helping with a variety of task such as, dog walking, cat care, rabbit and critter care, laundry, errands, and helping out at a special event. In addition, we have a **Pet Foster Volunteer** program where a volunteer opens their home to an animal with special needs or when there's temporarily no room at the Society. We will provide the food, supplies and when needed medication.

To sign up or for more information visit our "Get Involved" page on our website www.peihumanesociety.com.
